

# International Youth Conference- KYLC 5.0

International Youth Conference (KYLC) is a non-profit event, founded by Mr. Munna Kumar, Youth Icon. The conference will focus on collective discussion & making youth policy on UN's sustainable development goals (SDG) & Dr. Kalam's vision by bringing together youth intellectual leaders, social workers of very granular hierarchy and leading development experts from around the world.

Since 2016, the social warriors working on the principles of Dr. Kalam are being felicitated by bringing them on one platform and giving global exposure to their works. In this way, paying tribute to Dr. Kalam so that youthism remains alive.

## KHWAB FOUNDATION

*Keepers of Helpless with Aim & Brain*

Young people are the backbone of a society. Their participation in all aspects of society is very important. KHWAB FOUNDATION provides such a platform and environment for spreading positive vibration. It was started in 2003 but established in 2011.

Khwab Foundation is a non-profit organization registered under Indian trust act, Regd No-1657/11-12. Organization is NITI ayog, 12A & 80G approved.

## Dr. APJ Abdul Kalam International Foundation

The Dr. APJ Abdul Kalam International Foundation (AKIF) was founded by his elder brother and family with support from the colleagues of Dr. Abdul Kalam. During his last part of his life, he was contemplating with his peers and family members to set up an organization where his vision would become a reality. Death snatched away this opportunity from him. But his family and colleagues decided to work tirelessly towards fulfilling his wishes and hence the AKIF was born.

## KYLC 5.0, 2023

After two peak years of the COVID-19 pandemic, the world is returning to normal life with a lot of challenges. Some countries have overcome these challenges successfully. Some countries are in the process of overcoming these challenges while few countries are going backward with severe economic crises. However, with regard to facing various changes that occur somewhere in the world every minute, the world requires innovative information and knowledge together with an environmentally friendly technology system.

### Objective

Today's youth are tomorrow's leaders. Our world is rich with youth who are exhibiting talents through various fields. Meanwhile, some are very thoughtful about exploring more out of the box and contributing towards the development of their societies, nations and the world. Every year, Kalam Youth Leadership Conference is conducted with the aim of bringing these youth with exceptional attitudes together and providing a platform for them. These young people will be given the opportunity to connect with the youth who have the same kind of attitude, exchange their thoughts and knowledge, and discussing collectively to bring up solutions.

### Theme
